

Region Ten Announces Community Symposium

The Community is cordially invited to a Symposium sponsored by
Region Ten Community Services Board

Wednesday, September 13, 2017 from 4:00-6:30 pm for
Embracing Transformation, a symposium at Region Ten Community Services Board.

In a first of its kind event, we are bringing together representatives from local and state governments to begin a dialogue concerning the future of our local behavioral health system of care. Our intent is to provide you with up-to-date information as we begin the creation of a community plan to address the issues most critically impacting our future. These challenges include:

- ▶ Demand for services continues to exceed capacity and resources to provide services;
- ▶ Statewide over 10,000 currently waiting for a Medicaid Waiver slot;
- ▶ National Opioid epidemic that has not spared our region;
- ▶ A housing crisis for individuals who are ready for discharge from state hospitals;
- ▶ Increasing numbers of people with mental illness incarcerated with insufficient treatment.

We need your participation as we create a community plan to address these behavioral health issues.

When: **Wednesday, September 13, 2017 from 4:00-6:30 pm**

Where: **Region Ten Conference Center, 500 Old Lynchburg Road, Charlottesville, VA**
